

December Newsletter

With December themes being Winter and Christmas, we have plenty of exciting learning experiences and fun activities to look forward to!

In our classroom you will see the children doing different learning activities to supplement these topics! Such as Christmas puzzles, doing a Christmas countdown activity! We also will be doing some fun science experiments with real candy canes, decorating our classroom Christmas tree and patterning with Christmas lights!

In our sensory table you will see us using our fine motor skills to pick up Rudolph's nose with tweezers, playing with snow balls and making "cookies" with play dough! Our dramatic area will have a Bakery set up for children. Some art projects you will see are making Christmas ornaments, Christmas paintings and also a top secret one that won't be revealed until Christmas! Some songs you might hear your children singing are "S-A-N-T-A," "Reindeer Pockey ..." and "A Christmas Tree".

December is a very busy month with full of activities. Yoga instructor will be coming to school to do glow yoga with us. We will have a pajama and movie day with yummy hot chocolate and popcorns. We will be baking our own cookies as well. We need parent volunteers for all our special activities. Please sign up if you can help.

Our Christmas party will be on December 17 @ 10am -12:30pm in the community hall for the whole school. Please join us for the party with your children. There will be a signup sheet outside the classroom for the food that we need for the party.

Important Dates
